

# **A parliamentary view of Poland's plans to enhance the role of existing institutions in place of establishing a fiscal council**

**Dr Zofia Szpringer**

**February 2013 r.**

- The Fiscal Council bill (2012)
- Rejection of the bill - main arguments
- Examples of strengthening existing institutions
- Progress on transposing the directive 2011/85/EU and other legislative changes

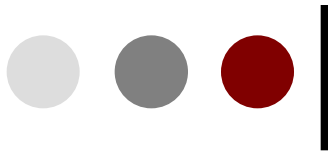

# Strengthening existing institutions

- Legislative changes

- Introducing the principle of sustainability of public finances
- Implementation of the Fiscal Pact
- Ensuring methodology of calculation of GDP and public debt constant over time
- Strengthening the position of some bodies and institutions

- Non-legislative changes

- Opening new platforms on websites of different institutions
- Expanding the statistical surveys of the Central Statistical Office
- Transparent information on the public finances condition
- Broader parliamentary discussion

Thank you
